

Clinic French Horn Scales

(Scales can be played using any type of notation.)

The image displays ten musical staves, each representing a different scale for the French Horn. Each staff begins with a treble clef and a common time signature (C). The scales are as follows:

- F scale:** Starts on F4, ascending and descending with a natural sign on the final F.
- G scale:** Starts on G4, ascending and descending with a natural sign on the final G.
- Ab scale:** Starts on Ab4, ascending and descending with a natural sign on the final Ab.
- A scale:** Starts on A4, ascending and descending with a natural sign on the final A.
- Bb scale:** Starts on Bb4, ascending and descending with a natural sign on the final Bb.
- C scale:** Starts on C5, ascending and descending with a natural sign on the final C.
- D scale:** Starts on D5, ascending and descending with a natural sign on the final D.
- Eb scale:** Starts on Eb5, ascending and descending with a natural sign on the final Eb.
- E scale:** Starts on E5, ascending and descending with a natural sign on the final E.
- Chromatic scale:** A two-octave chromatic scale starting on C5 and ending on Bb6.

Staff numbers are indicated at the beginning of each line: 9, 17, 25, 29, 33, 37, 41, 45, and 49.
