

SCBDA Jazz Performance Assessment Suggested Repertoire

The following is a suggested list of repertoire recommended for the SCBDA Jazz Performance Assessments. The grade levels are as follows:

Grade 2: Middle school and beginning extra-curricular high school ensembles

Grade 3: Advanced Middle school, beginning curricular high school ensembles, and established extra curricular high school ensembles

Grade 4: Advanced extra-curricular high school and curricular high school ensembles

Grade 5: Advanced curricular high school ensembles

Within each grade level, charts are divided into three categories:

1 – Swing/shuffle

2 – Ballad

3 – Latin, Rock, or other even eighth-note styles

Each selection also includes the publisher and the last column lists if an instrument is featured or other special considerations about the chart. Many of the selections are available through the vendors listed below and include preview recordings. It is strongly suggested that directors visit the sites to listen to the recordings to help you assess the level and appropriateness of the material for your ensemble.
