

2022 SCBDA Draw for Prelims and Finals

PRELIMS: Bands for each site have been placed in alphabetical order. Each site will be assigned a random series of numbers based up on the number of entries. Once assigned a number, the site will be resorted from highest to lowest. Once sorted, the higher numbers go first and the lower numbers go last - and this is the performance order from first to last.

FINALS: All bands have been placed in alphabetical order by class. Each class will be assigned a random series of numbers based up on the number of entries. Once assigned a number, the class will be resorted from highest to lowest. This number determines their order in each flight based upon Prelims scores. Once sorted, the higher numbers go first and the lower numbers go last - and this is the performance order in each flight at Finals.
