TO: The 2A and 4A Directors.

Congratulations on your great performance at the Upper and Lower State Finals! I want to welcome you to Spring Valley High School. Our Band Parent Booster Organization, band students, and staff have worked very hard to provide you with a comfortable and well organized performance environment. If there are any questions or if any assistance is needed, please ask one of our volunteer parents. They are well identified by the bright staff Festival T-Shirts or ID badges.

We have also worked hard to provide your students and spectators with high quality concession and vendor options. We would appreciate it if you would plan to have your band dine with us at the school. We have a great variety to choose from at great prices, and we will not be able to have buses leaving and returning once they are parked. We also have well designed State Finals t-shirts and programs for your students and fans. A very well stocked Director Hospitality room is located in the commons. This is accessible from the doors behind the home side concessions under the patio area. Please refer to the map that we provided for any questions of the flow from warm-up areas, to the stadium, and back to the buses.

We need all bands to sit on the visitor side after they perform. Concessions are primarily on the home side of the stadium, so students may move to the home side as they make purchases from a variety of vendors. Thank you for helping us social distance.

Below are a couple of rules to follow:

- A) Please make sure that your pit equipment does NOT drive on the track except where we have provided access on and off of the field. Please also ensure that nothing is dragging across the field.
- B) Turf tires are required on all vehicles when driving on the grass. Do not make sharp or excessive turns please.
- C) Cooking/Grilling is prohibited on the Spring Valley Campus as a district policy. We host this event as a fundraiser, so we would appreciate it if your band would eat from our menu and vendors if possible.

Thank you for joining us at Spring Valley. I wish you and your band great success! I hope that today is your best and most meaningful performance of the season.

Musically Yours,

Eric McGee  
Director of Bands  
Spring Valley High School
