Spectator Parking

DIRECTORS – PLEASE help us communicate with your parents that our venue ONLY has one entrance for spectators. It is **NOT** 2251 Old Furnace Road!!! That will take you to the front of the school and our spectator entrance will be in the back of the campus off of 230 McMillian Blvd. We have created a QR code to aid in this confusion.

Handicap parking is available for those that will need it close to the stadium entrance.

There will be a shuttle service that can aid in dropping spectators closer to the stadium entrance but this will run on a rotation and spectators must wait for the pickup times to ride on a “first come – first serve” basis. Please plan accordingly to ensure that all spectators can see their bands perform!

Spectators **MUST** exit for the same entrance that they entered and will not be permitted to park with or leave with the band equipment trucks or trailers. This is for flow and safety purposes!

Overflow Parking

This will be available at the Boiling Springs First Baptist Church located at 3600 Boiling Springs Road. Shuttle buses will be provided to and from campus through the duration of the event.
