

Director Spotlights

November 2022

Katie Waters

Mid-Carolina Middle School

Ms. Waters is a 2021 graduate from the University of South Carolina and in her second year teaching band at Mid-Carolina Middle School. She is a phenomenal teacher and works hard to not only teach band, but to build positive relationships with all her students. Ms. Waters believes that good people make good musicians, and she is doing great things at MCMS. Congratulations to Katie Waters on a job very well done!

Courtney Wyatt

Clover High School

Ms. Wyatt played an important role in the musical development of the Clover marching band this year through developing balance and listening skills and utilizing her "listening ear" to bring out colors and textures properly. It was largely to her credit that Clover was able to tie for 2nd place Music Caption score in 5A Finals. Under her leadership, the Clover trumpet ensemble also earned 2nd place in the 2022 National Trumpet Competition. Congratulations to Courtney Wyatt on your incredible leadership!

We are looking to recognize outstanding South Carolina band educators and want your input.
